

FHSU ONLINE BACHELOR OF SCIENCE DEGREE IN AGRICULTURAL BUSINESS

Open up new opportunities with a bachelor's degree in Agricultural Business through FHSU! Beginning Fall 2017, the nation's most affordable online Bachelor of Science Degree in Agricultural Business will be available through FHSU!

Currently, there are only four other universities offering online B.S. degrees in Agricultural Business at the following per credit hour costs.

FHSU	Colorado State Univ.	Utah State Univ.	Univ. of Tennessee - Martin	Penn State Univ.
\$207	\$444	\$310	\$380	\$562

Over the course of 120 credits, the cost savings of an FHSU degree ranges from **\$13,000 to \$43,000!**

FHSU Agricultural faculty are teaching-focused, highly qualified, and focus heavily on the applied aspects of the discipline. Our goal is to help provide students with the necessary skills and knowledge to be successful in the agricultural industry. Our graduates have a 98% job placement rate and are landing jobs in all parts of the food industry across the country with average starting salaries around \$44,000.

FHSU's (pilot program) online Agricultural Business degree was ranked #2 in the nation according to College Values Online Top Degree Programs for 2016.

While you can take all necessary courses online through FHSU, you may also bring in transfer credits from community colleges and other 4-year institutions. To graduate with an FHSU degree, you will need a minimum of 60 credit hours from a 4-year institution; 45 of those credits must be upper-division courses (numbered 300 or above); a minimum of 30 credit hours must come from FHSU.
