Radiologic Technology Program Accreditation

The Associate of Science degree in Radiologic Technology is fully accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT). 20 North Wacker Drive, Suite 2850 Chicago, IL 60606-3182 312-704-5300 or mail@jrcert.org

JRCERT programmatic accreditation requires the R.T. program to meet specific standards that promote excellence in education and elevates quality of students through accreditation. The FHSU R.T. program strives to provide quality education as well as integrate values and attitudes consistent with the professional standards and ethics published by the American Registry of Radiologic Technologists.

FHSU R.T. program was awarded 8 years accreditation by the JRCERT in 2014 with the next self-study and program review to occur in 2022.

Complaints or concerns involving accreditation should be directed to the FHSU R.T. program officials first by following the grievance procedure provided by the program/institution. If an individual is unable to resolve the complaint with the program/institution officials or believes concerns have not been properly addressed, he/she may submit allegations of non-compliance to the JRCERT.

Radiologic Technology Program Goals

Upon completion of the Associate of Science degree in Radiologic Technology, FHSU graduates will:

Students will be clinically competent.					
Outcome 1	Students will learn positioning procedures.				
Outcome 2	Students will utilize radiation protection.				
Outcome 3	Students will provide patient care.				
Students will demonstrate communication skills.					
Outcome 1	Students will communicate effectively with diverse populations.				
Students will develop critical thinking.					
Outcome 1	Students will adapt standard procedures to non-routine patients.				
Outcome 2	Students will critique images to determine diagnostic quality.				
Students will model professional behavior.					
Outcome 1	Students will be expected to develop a professional image.				

Radiologic Technology Performance Outcomes

Five Year Average ARRT Credentialing Examination - First Time Pass Rate

*1st time test takers are within 6 months of graduation.

Year	# Taking Exam	# Passing on 1 st Attempt	% Passing
2015	27	27	100%
2016	28	27	96%
2017	32	32	100%
2018	34	34	100%
2019	35	33	94%
	157	154	98%

Program Effectiveness Data

	Number of program	Annual Program Completion Rate	ARRT Credentialing	Job Placement Rate
	graduates		Pass Rate	
2015	27	87%(27/31)	100%(27/27)	100%
2016	28	82%(29/35)	96%(27/28)	100%
2017	32	94% (32/34)	100%(32/32)	100%
2018	34	97% (34/35)	100% (34/34)	100%
2019	35	87.5% (35/40)	94% (33/35)	97% (34/35)

Employment rates are determined from returned graduate surveys and employer surveys.

Job Placement Rate is defined as the number of graduates employed in a radiology related field within 6 months of graduation. Full-time, part-time, PRN status are considered "employed."

The JRCERT has defined "not actively seeking employment as"

- 1. Graduate fails to communicate with program officials regarding employment status after multiple attempts OR
- 2. Graduate is unwilling to seek employment that requires relocation OR
- 3. Graduate is unwilling to accept employment due to salary or hours **OR**
- 4. Graduate is on active military duty *OR*
- 5. Graduate is continuing education.
