

240 Tutoring – Praxis Test Prep

240 Tutoring is a company that provides study preparation materials for certain Praxis teaching licensure exams.

Once you are enrolled with **240 Tutoring**, you have immediate access to all of the materials. You will read the instructional content, use the flashcards, and answer the authentic practice questions right through the website.

FHSU has partnered with 240 Tutoring to provide a discounted rate to FHSU students. If you would like to be sent an invitation for the discounted rate, contact Kerry Schuckman at kschuckm@fhsu.edu.

Included in the \$25/month subscription is the entire Praxis study guide catalog. To learn more: <https://www.240tutoring.com>

There is a Diagnostic Assessment – it’s similar to a full-length practice test - that you can take whenever you want to help you identify your weakest areas (so you can study those first). At the end, there is a full-length, authentic, timed practice test. The **240 Tutoring Guarantee** allows a test taker a full money-back refund of up to 2 months of their subscription if they fail the exam after scoring 90% on their Practice Test (at the end of the study guide).
