

FORT HAYS STATE UNIVERSITY
EQUAL EMPLOYMENT OFFICE

Forward thinking. World ready.

Dear Applicant,

The Higher Education Act of 1965, as amended by the Higher Education Opportunity Act of 2008, includes many requirements for disclosing information to current students; to prospective students and their families; and to university employees and prospective employees, along with many other constituent groups.

Fort Hays State University has long had a policy of making information readily available. To ensure compliance with federal HEA and HEOA legislation, the university provides the HEOA website with links for easy access to helpful information: <http://www.fhsu.edu/heoa/>

In addition, the Drug and Alcohol Abuse Prevention Program and the Annual Security Report and Fire Safety Report must be sent annually.

- The Drug and Alcohol Abuse Prevention Program provides resources to help support the challenges that result from alcohol or other drug use, including: substance abuse counseling; information and facts related to alcohol & other drug use; online alcohol screenings; Safe Ride program; Tiger CLAWS Peer education group; and links to other resources. Additional information regarding the effectiveness of these programs and data is available upon request from the Kelly Center. Please see: <http://www.fhsu.edu/kellycenter/>
- The Fort Hays State University Annual Security Report and Fire Safety Report contains important information concerning crime statistics, crime prevention, educational programs, campus and community services, campus procedures and sanctions for sex offenses, and other information required by law. It can be found at: <http://www.fhsu.edu/judicial/security-report>

A paper copy of these reports or the reports in an alternative format are available upon request. Contact the University Compliance Office in 314 Sheridan Hall, or notify Amy Schaffer, University Compliance Officer, at 785-628-4175 or alschaffer@fhsu.edu.

Go Tigers!
