

ORGANIZATIONAL LEADERSHIP

WHAT IS ORGANIZATIONAL LEADERSHIP?

The Bachelor of Arts or Bachelor of Science in Organizational Leadership prepares students to become effective organizational members of the 21st century workplace. The innovative curriculum focuses on the study of leadership in the context of the modern organization. Rather than preparing you for one particular career, this flexible interdisciplinary program provides you with the knowledge and skills necessary for a broad range of organizational and supervisory positions. The 45-credit hour interdisciplinary degree program has been designed to make students as unique as its name.
