Reassigned Time Report

Fall 2017

I was given Release Time from one class, so I could complete the two books I was under contract with to produce for the Mellen Press (New York): *An Annotated Bibliography (1982-2016) of Works Published About J.D. Salinger*, and *The History of Scholarly Research into the Writings of J.D. Salinger (1986-2016): A Companion to the Annotated Bibliography*.

Both books have been printed, and I am awaiting my copies.
