Grading:

Deadlines are important. Please contact me in advance if, due to circumstances beyond your control, you are not able to submit an assignment on time. A mutually acceptable date will be determined.

If an assignment is late, it may lose 10% of the total points each day it is overdue. If the assignment is a week late, the grade will be a zero.

A = 90% & above

B = 80% to 89%

C = 70% to 79%

D = 60% to 69%

The assignments include textbook reading, creating hands-on art projects, researching beyond the textbook, designing a lesson plan, organizing a drawing session with children, building upon creative ideas, and participating in discussion boards.
