SLP 370	Early Speech and language Development	3
SLP 402	Phonetics	3

- They can take all 12 hours above in 1 semester

- Some students can potentially enroll in SLP 465 in conjunction with above, but not before above
- Students seeking a 2nd degree must take SLP 425, SLP 303, SLP 464 as well as the above courses, it is okay to intersperse these courses with the SLPA courses
- Students seeking a 2nd degree must have met or have a plan to meet the Psychology, biology, physics or chemistry, and statistics requirement
- Generally, they must also meet the diversity, algebra and educational cognate requirements, sometimes I can flex on these since they are not accreditation requirements
- These students are eligible for financial aid so that should be considered in their schedule
