3:32 (1 minute) All members were present with the exception of Chretien, McNeil, Musgrove, and Smith. Miles served as proxy for McNeil. Costumes were admired. Popcorn was consumed. Determined that a quorum was met.

3:33 (8 minutes) Chair reminded the committee that all committee members are requested to be in attendance for the faculty senate meeting this coming Monday November 4 at 3:30 PM in the Black and Gold Room. It is expected that the CORE program policies and procedures will be put to a vote. Additionally, committee members are requested to be in attendance at the student senate meeting this coming Thursday November 7 at 7:00 PM in the Black and Gold Room. At both these meetings our role is to answer questions about the CORE program, not renegotiate any aspects of the program.

3:41 (9 minutes) The proposal introduced last week from the Department of Communication Sciences and Disorders for two courses, SLP 320 Basic Sign Language and SLP 420 Advanced Sign Language, to be accepted into the current general education program (not the CORE program) under the liberal arts/distribution/humanities category, was put to a vote. The vote was unanimous in favor of the proposal.

3:50 Meeting ended extraordinarily early. The committee's next meeting is scheduled for 3:30 PM on Thursday November 7 in Rarick 113.
