3:30 (1 minute) All members were present with the exception Clark, Miller, Rymer, and Yang. Schmidt served as proxy for Miller, and Moore served as proxy for Clark. Hartman served as Chair for this meeting. Determined that a quorum was met.

3:31 (1 minute) The minutes from the March 7 meeting were approved.

3:32 (30 minutes) The committee considered a proposal for **PSY 300: Abnormal Psychology** to satisfy the outcomes for **Personal and Professional Development**. Most of the discussion focused on whether the course, which is a standard course in psychology centered not on one's own personal or professional development but on the mental disorders of others, is suitable for a course of this sort. In the end, the committee voted 10 in favor, 1 opposed, 1 abstaining, to **approve** the proposal **contingent** upon removal of the first paragraph in each of the four rubric descriptions for the first outcome, as these are details that, while relevant to the quality of the student's writing, are not relevant to the outcome being measured.

4:02 The meeting ended. Our next meeting is scheduled for Thursday April 4, 3:30 PM, Trails Room.
