3:30 (1 minute) All members were present with the exception of Breit, Duffy, Miller, Rymer, Smith and Yang. Hartman served as proxy for Duffy, Smith, and Yang. Schmidt served as proxy for Breit and Miller. Determined that a quorum was met.

3:31 (1 minute) The minutes from the March 21 meeting were approved as amended.

3:32 (33 minutes) The committee considered the revision of a revision of a proposal for **HHP 310: A Critical Thinking Approach: Consumer Health** to satisfy the CORE 1.5 outcomes (critical thinking). Discussion focused on whether the assignment for outcome 2 (argument in support of a controversial thesis which is then defended from a significant objection) would actually require the student to defend their argument from a significant objection. In the end the committee decided, in spite of some wording issues, to trust that it will, and voted, 10 in favor, 1 against, to **approve** the proposal.

4:05 (3 minutes) Chair reviewed where 9 courses we have considered this semester are currently in the approval pipeline, and formally thanked Hartman for serving as Chair for meeting on March 21.

4:09 The meeting ended. Our next meeting will be scheduled if and when new business comes our way.
