KEY

* = multiple sections of this course are usually available, including a section in the summer session

Courses in Bold = note well these core courses that you are unlikely to have had transferred in AND that are NOT offered every semester.

= PHIL499 Senior Thesis also involves a three-step topic proposal process *in the semester before you enroll and take the course*. See the website for more.

h= hybrid course/section; online students enroll in virtual college section, on-campus students enroll in on campus version
