## RESIDENTIAL LIFE MISSION STATEMENT

The Department of Residential Life's mission is to assist in the preparation of citizen-leaders by fostering community, providing access, focusing on resident needs, and supporting the educational experience.

- **Community:** Residential Life is committed to creating a safe and supportive environment where residents have a network of people who care about them.
- **Accessibility:** Residential Life is committed to providing a living environment that meets the various needs of our residents at an affordable cost.
- **Resident Centered:** Residential Life is committed to creating services, programs, and policies that benefit the residents we serve.
- **Educational Support:** Residential Life is committed to providing individual growth experiences inclusive of our residents' academic development.

## RESIDENTIAL LIFE DIVERSITY STATEMENT

- **Acknowledge:** We acknowledge the diversity of our community and the many forms that diversity can take, including but not limited to race, ethnicity, national origin, gender identity, sexual orientation, socioeconomic status, religious beliefs and customs, political affiliation, age, sex, and ability. We likewise acknowledge the invaluable importance of such diversity in our academic and residential settings.
- **Learn and Develop:** As a community, we develop an understanding of each other's differences and realization of similarities, because understanding is the first step towards equity. We learn that these differences do not undermine our ability to work, study, and live together. We develop this understanding through the fostering of respectful and thoughtful conversation and creative and collaborative programming.
- **Live:** We live the values of diversity and inclusion as an extension of the Department of Residential Life mission statement. Our existence is for the development and support of ALL students. Discrimination of any form will be corrected through the philosophy of restorative justice with an emphasis on expanding wellbeing of the community at large. We endeavor to walk with our residents on this journey and together be forward thinking and world ready.

# GENERAL INFORMATION

## RESIDENTIAL LIFE STAFF

### RESIDENT ASSISTANT (RA)

Your RA is a full-time student whose part-time job is to assist you. Generally, your RA has lived on campus for at least a year and knows what a great experience living on campus can be. Your RA has many diverse responsibilities. You can expect your RA to:

- Get to know you and care about how you are doing
- Be available on a personal basis to talk about whatever you need to talk about
- Be available to answer your general questions
- Be able to direct you to the appropriate university office for answers to your questions
- Work at the hall desk several hours each week
- Hold floor meetings as needed to discuss important topics
- Ask for your help in making life on the floor enjoyable and productive
- Plan and hold social and educational programs and events
- Make sure you and others are following housing and university policies
- Complete duty rounds to ensure that the building and floor are safe places for you to live
- Help you deal with an emergency situation

While your RA is there to support you, please remember that they are also a person and a student. They need some private time to stay happy and healthy as well as to succeed academically!

### DESK ASSISTANT (DA)

Desk Assistants are the individuals who welcome and provide information to residents and guests, help with hall security, sort mail, and maintain check-out of hall supplies. They work at the front desk area of each residence hall.

## **ASSISTANT HALL DIRECTOR (AHD)**

McMindes, Victor E. Village, Tiger Village, and Hansen Hall all have an Assistant Hall Director. The AHD is a graduate student on campus and is hired to help the halls run smoothly. They oversee the function of the front desk and might take care of other tasks such as mail distribution, facilities management, administrative responsibilities, advising, and supervision.

## **APARTMENT MANAGER**

Stadium Place and Wooster Place have an Apartment Manager. The Apartment Manager is a graduate student on campus whose role is to serve the residents in the apartments and their families. They are your main contact for questions, concerns, facilities issues, and community events.

## **HALL DIRECTOR (HD)**

Your Hall Director is a full-time professional. The HD is the primary manager of the hall/apartment community with the overall goal of helping you to be successful at FHSU. Through advising hall or community council, supervising and training the student staff, working with the custodial and maintenance staff, assisting individual students, enforcing policies, and coordinating special services provided by the Office of Residential Life, the HD works to ensure the needs of the community are met. You will get to know your Hall Director at community programs and events or through informal contact in your building.

On an individual level, the Hall Director is available to consult with you regarding a number of areas such as personal relationships, academic progress and success, or general information about the university. Become acquainted with your Hall Director, and feel free to call on them when you have questions or concerns. If they can't answer your question, they should be able to direct you to someone who can. The Hall Director's office is located near the front desk of most buildings and they also live in an apartment in the building/community that they oversee.

## **RESIDENTIAL LIFE OFFICE STAFF**

The Residential Life office team consists of the Director of Residential Life, the Associate Director of Residential Life, the Assistant Director of Business Operations, the Administrative Assistant, and student workers. The staff is here to assist you with any questions or needs.

## **CUSTODIAL AND MAINTENANCE STAFF**

Take time to get to know your custodian and the maintenance staff as they play an important role to your community. The custodians work in conjunction with the Hall Director, student staff, and residents to clean and maintain public areas of the hall. Repairs to furniture, plumbing, heating, etc. should be brought to the attention of your RA or the front desk and they will pass them on to the maintenance personnel. Use of hall kitchens or other facilities within the hall, is a privilege and you, not our custodial or maintenance staff, are responsible for cleaning up after yourself. Personal trash and other messes are your responsibility. Please clean up after yourself and dispose of all waste properly.

# **COMMUNITY LIVING**

## **COMMUNITY MEMBERS**

You will soon get to know the people who in your community and hopefully your living space will soon feel like home. Living on campus provides opportunities for you to get to know other students, to socialize, to study with classmates, and to develop greater interpersonal skills.

You can participate in your community in many ways. You can become involved in hall or community council by serving as a wing, floor, or community representative. You and your community members can provide feedback to your RA(s) about what type of community you would like to live in. You can also take part in intramurals, social activities, and educational programs sponsored by your RA(s) and hall or community council.

## **ROOMMATE/SUITEMATES**

Being a roommate and having a roommate can be exciting and can pose challenges. Adjusting to a roommate might not be easy, but if you both stick with it, it will be worth it and you could find a life-long friend! Willingness to share, to compromise, to communicate, and to work through conflict, are all factors in getting along with your roommate(s). You and your roommate(s) will share the ups and downs of one another's lives, the

good moods as well as the bad, the joys and sorrows. With care and energy, you can be part of a good living situation with the degree of friendship you wish.

Begin by getting to know each other and go beyond the surface stuff! The best way to work things out with your roommate(s) is to be clear and specific about your expectations. Talk openly with your roommate(s) about what type of living environment you would each like to have.

Some important topics to discuss are as follows:

- Cleaning
  - How neat and clean are you used to keeping your space?
  - How will housekeeping duties be shared?
  - How would you like the room/common space arranged and decorated?
- Borrowing
  - Will you share food and drink costs?
  - Do you mind if guests use items in the room?
  - Do you prefer to be asked permission before someone borrows one of your belongings?
  - What items are you comfortable sharing and what would you prefer that they not be borrowed or used?
- Study Time
  - What time do you typically study?
  - Can you study with the TV or music on? With visitors in the room?
- Sleeping
  - What time do you typically go to bed or get up in the morning?
  - Are you a heavy or light sleeper?
  - Can you sleep with the lights, TV, or music on? With visitors in the room?
- Guests
  - When can guests be in the room?
  - Can guests spend the night?

Sometimes it can be hard to be honest in a new relationship, but being clear about what you want will make life with a roommate easier. Remember, sometimes you might not get exactly what you want. Work with your roommate(s) to find a compromise so that everyone can be happy. Compromise is an art and takes time to learn; stick with it!

You are strongly encouraged to use the answers to the questions on the previous page to help you create a roommate agreement. Your RA will have you and your roommate(s) complete a roommate agreement within the first few weeks of the semester.

## **GETTING INVOLVED**

### **FLOOR, HALL, AND CAMPUS EVENTS**

Check the hall bulletin boards or ask a staff member about the activities and programs that are planned for your floor/community.

### **HALL COUNCIL & COMMUNITY COUNCIL**

Every traditional hall (Custer, McMIndes, Tiger Place, and Victor E. Village/Hansen) have a Hall Council. The apartment communities (Stadium Place and Wooster Place) have a Community Council. These groups are comprised of students living in the community, and they want to hear your feedback about what you want your on campus living experience to be like. They also plan social, educational, recreational, cultural, and academic events for you to attend to connect with the hall.

Please see your Hall Director or Apartment Manager if you are interested in participating in your Hall or Community Council.

### **RESIDENCE HALL ASSOCIATION (RHA)**

The Residence Hall Association is comprised of students living across campus and creates programming designed to enrich the life of all on-campus residents. RHA is active in developing annual events including: welcome back events, the Block Party, Siblings' Weekend, and the End of Year Extravaganza! RHA also serves as a voice for residents, and acts as a link between on-campus residents and the administration to provide input about dining services and the overall function of the residential communities. RHA provides residents opportunities to develop leadership skills through elected and appointed positions, and is actively connected to similar leadership organizations at the regional and national level.

## **NATIONAL RESIDENCE HALL HONORARY (NRHH)**

The Golden Plains Chapter of the National Residence Hall Honorary (NRHH) is a group comprised of the top 1% of leaders who have contributed outstanding service and leadership while living in the residential communities. NRHH is built upon the pillars of service and recognition and provides recognition and leadership opportunities for those living on campus.

## **STUDENT CONDUCT BOARD**

The Student Conduct Board is a hearing body of students (advised by a Hall Director) who hold their peers accountable for misconduct. This group meets with students who have allegedly violated Residential Life or University policies/code of conduct. Depending upon the nature of the case, the Hall Director decides if a case should go through the Student Conduct Board or through an Administrative Hearing.

Membership is by application only, and requires special training and a year-long commitment. Applications are available at the beginning of the academic year. Talk to your Hall Director if you are interested in more information on Student Conduct Board.

# **HALL SERVICES & AMENITIES**

There are many benefits to residence hall living, the first of which is the convenience. Each of the halls on the Fort Hays State University campus is able to provide students with a wide range of services to help make your experience as convenient and positive as possible. Here are some of the services available to you as a resident:

## **CABLE**

All residence hall and apartment residents should take trash/recycling to the dumpsters located near their buildings. Dumping trash and pizza boxes from your room in the bathroom or lounge receptacles is NOT acceptable.

## **GUEST FACILITIES**

Please refer to the Guest/Visitation Policy to determine when and where guests are permitted. Each community has specific facilities that are available for use by guests. Some residence halls are equipped with an ice machine. Please keep in mind that the ice is for every resident to use and the ice machine should not be used as a personal icebox for food and/or other items.

## **KITCHENS & COOKING**

The residence halls are not equipped with wiring, plumbing, or ventilation systems that permit cooking in student rooms. Each traditional residence hall has a kitchenette that residents may use for meal prep and cooking. The number and location of kitchen facilities varies by hall. Residents are expected to remain near the stove/oven while preparing food. Residents should also use appropriate tools, such as cutting boards, to keep from damaging kitchenette countertops and other furnishings and ensure that they clean up immediately after using the kitchenette area.

Failure to follow appropriate cooking methods may result in excessive heat/smoke production, which will trigger the hall fire alarm system. Intentional disregard to cooking safety or other reasonable safety procedures, which results the activation of the fire safety system, will result in disciplinary action and a possible fine.

## **LAUNDRY ROOM**

Washers and dryers are located in each community at no charge as laundry fees are included in housing rates. Machines are for use of residents of that community only. Any resident found allowing any non-resident to utilize laundry facilities will go through the student conduct process.

If a machine is not working properly, report the machine number to the front desk worker or your Apartment Manager. Progress and availability of laundry machines can be viewed online through the “Laundry Alert” link [at http://www.fhsu.edu/reslife/students](http://www.fhsu.edu/reslife/students)

## **COMMUNITY ROOMS/LOUNGES**

Community rooms and lounges are public multi-purpose rooms for residents and visitors to use as a waiting area, study or social spaces, and for community programs.

## **MAINTENANCE**

Repair and maintenance needs, including heat issues, broken furniture, malfunctioning equipment, fixture leaks, burnt out light bulbs, and other issues requiring attention should be reported through a maintenance request. You can fill out a maintenance request via the Residential Life page on the FHSU website, or by talking to your RA, Apartment Manager, or Hall Director. Additionally, please inform your Resident Assistant if you have reported your maintenance issue but the issue has not been resolved.

Remember, we cannot help you unless we are aware of the issue. If there is an emergency, please contact the appropriate staff immediately. The only requests considered emergencies are those, which pose an immediate danger to health or property. Maintenance staff are permitted to enter residence hall rooms and apartments starting at 9:00am to complete appropriate repairs.

## **MOVIE STREAMING SERVICE**

The Residential Life Streaming Service can be found at <http://movies.fhsu.edu>. Movies available for viewing are selected by Residential Life staff members and student leaders. # POLICIES AND PROCEDURES

## LIVING ON CAMPUS

Being a member of a community brings a set of rights as well as a set of responsibilities. With every “right” comes responsibility and, as a member of the campus community, you are expected to respect others and follow the rules and policies established by the university community. We encourage you to seek active roles in your community as a leader, a participant in the governance process and as a “good citizen.” Ideally, residents are self-governing and are expected to take initiative in confronting inappropriate behavior of others that disrupts community life. When self-governance needs assistance, staff members are present to help define and direct and support the student conduct process. Hall Directors administer the conduct process in the residence halls. In addition, each hall is staffed with Resident Assistants who are students responsible for a floor or wing. These individuals are expected to confront conduct situations when state law, university, or hall policies are violated.

### **PROCEDURAL GUIDELINES FOR CONDUCT**

As a resident, you agreed abide by all residential community policies, procedures, and contract guidelines when you signed your housing contract. Additionally, you agreed “to observe all rules, policies and regulations of Fort Hays State University,” and “to abide by all state and federal laws.” The Fort Hays State University Student Code of Conduct can be found online on the Judicial Affairs site (<http://www.fhsu.edu/judicial/student-code-of-conduct/>).

Residential community policies and departmental procedures are outlined on the next several pages.

If you have questions about any of the policies, please contact your Resident Assistant (RA), Hall Director (HD), or Apartment Manager for clarification.

If you are involved in a situation that violates a policy, a RA or other hall staff member may approach your room. At that time, their responsibility is to end whatever behavior is taking place that violates a policy. The RA will identify the resident(s) responsible for the room to discuss the behavior(s) of concern and resolve the situation. The RA will then write an incident report documenting the details of what happened including names of people present, the policies that were violated, and any other relevant information. The report is then forwarded to the hall director for review. Depending on the nature of the situation, the hall director will follow up with students in a meeting (called a conduct hearing), by email or through a letter in their mailbox. The RA is not responsible for assessing your role in the situation, they merely document what is happening and the Hall Director or Graduate Assistant will determine each student's role in the incident.

Please keep these things in mind if you are confronted by a staff member:

- Cooperation with staff is important. You can cooperate with staff members by opening the door, talking with them openly and honestly, and complying with their requests. Not doing these things may be considered obstructing a university official. If staff members approach your room for a policy violation, they would like to resolve the situation quickly, and your cooperation will help them do that. It is important to note that if a room is uncooperative with hall staff members, the hall director or University Police could be called to assist with resolving the situation, and that behavior will be noted in the incident report.
- According to university policy, all students should carry their Tiger Card and present it to university officials upon request. Hall staff members are university officials. Not providing a student ID when requested (or photo ID for non-student visitors) is viewed as a lack of cooperation.

- It is important that you familiarize yourself with the policies. Not knowing the policies is not a valid reason for failing to follow them.
- If a staff member approaches your room for a policy violation and you are hosting guests (whether they be residents from another hall or from off-campus), it's important that you encourage your guests to cooperate with staff by answering their questions and providing a photo ID.
- If your guests cannot provide ID, are not properly registered through the front desk, or are being uncooperative with hall staff, the RA, Hall Director or University Police may escort your guest(s) from the building. It's also important to note that you will be held responsible for your guests and their actions, so it's best if you explain the basic policies to your guests when they arrive so they know what you expect from them.
- When being approached by a staff member, some students become nervous or scared and worry about "getting in trouble." Despite your feelings, it's best to remain calm and be honest with hall staff members about what is happening and who is involved. You can be held responsible for making false statements in a conduct hearing, so it's best to tell the truth from the start.
- To prevent situations from occurring in your room when you're not present, lock your room door. If you're away from your room, yet leave your room door unlocked and friends go to your room and engage in behavior that violates a policy, you will be held responsible to a degree because the situation occurred in your room.

## **SAFETY IN THE RESIDENCE HALLS**

Residential Life is committed to providing a safe and comfortable living environment. If at any point you feel threatened, concerned, or have an issue, please contact your RA, Hall Director/Apartment Manager, the Residential Life Office, or the University Police Department. If it is an emergency, please call 911. During the evenings, Residential Life student staff conduct regular rounds of the residence halls. If at any point you have a concern, please call the on-call phone for your community. Professional staff serve on call 24/7 and are able to address emergencies and concerns.

## STUDENT CONDUCT PROCESS

If you are involved in a situation where an alleged policy is being violated, a staff member may confront the situation. At that time, staff's responsibility is to end whatever behavior is taking place that violates a policy. The RA will identify the resident(s) responsible for the room to discuss the behavior(s) of concern and resolve the situation. The RA will then write a report documenting the details of what happened including names of people present, policies that were allegedly violated, and any other relevant information. The report is then forwarded to the community's hall director for review. Depending on the nature of the situation, a professional staff member will follow up with students in a meeting (called a conduct hearing), via email and through a letter in their mailbox. A decision is made as to whether a policy violation is major or minor and as to whether it is to be reviewed by the Conduct Board, the Hall Director, Assistant Director of Residential Life, the Director of Residential Life, or the Office of Student Affairs. Any time a resident is notified to appear for a hearing, they must do so. The RA is not responsible for assessing your role in the situation, they merely document what is happening and the hall director will determine each student's role in the incident. If a resident fails to appear to a conduct hearing, his/her case will be reviewed by the hearing officer based on the information in the incident report.

The Residential Life conduct process exists to promote a positive group living environment by providing a means to assure compliance with the established policies of the Residential Life Office and FHSU in all of our communities. The conduct process is committed to providing fair treatment of each person who participates in the process. Please note that your cooperation is expected when confronted by a staff member. Please cooperate by opening the door, talking with staff openly and honestly, and complying their requests in order to resolve the situation quickly. Carry your Tiger Card and present it to staff members upon request. Take the time to familiarize yourself with the policies early on in the semester. Residential students are expected to know and abide by all Residential Life policies and procedures, the student code of conduct, state/ local/ federal laws, and the housing contract. Guests are responsible for following all policies, and it is the residents responsibility to inform them of such.

When a student admits to being or is found to have been in violation of a policy, sanctions are possible. Possible sanctions encompass a large range of outcomes in line with the severity of the policy violation. Sanctions may include warnings, restitution (repayment of any monetary damages), assignments such as community service, papers, workshop attendance, referral meetings, disciplinary probation, removal from residential life facilities, suspension, and/or expulsion. Sanctions may be imposed singularly or in combination. Failure to complete sanctions as assigned may result in an escalation of disciplinary status, a finding of non-compliance and may result in additional sanctions being assigned, included but not limited to: a hold being placed on the student's account which may prevent the student from enrolling in classes, receiving their transcript, or their diploma upon graduating.

Students have the right to appeal. Students must submit a written statement within five working days of the notification of the outcome of the hearing. Appeals must outline the specific grounds the review is sought and should include date of original hearing, date/time/location of the alleged incident, and reason for the appeal. Late appeals will not be accepted. Requests for appeal will be outlined in the decision letter. Below are reasons for an appeal.

- Evidence not available at the hearing which, had it been available, would in all likelihood have produced a different finding (responsible v. not responsible)
- Substantial procedural irregularity
- Perceived hearing officers' bias resulting in a violation of the standards of fairness used in disciplinary hearings.

## **POLICIES AND PROCEDURES**

### **ABANDONED PROPERTY**

Fort Hays State University, the Department of Residential Life and/or any of its staff are not responsible for any student property left in public areas.

If a student abandons property in their residence hall room or apartment after leaving the university, Residential Life staff members will make reasonable efforts to contact them via phone, university e-mail, letters to the resident's campus address, and letter to the resident's permanent

address in an attempt to have that student retrieve their belongings.

If it is determined that the former resident will not be returning (for example, if the student has not registered for classes, has cancelled their housing contract, etc.) hall staff will pack and inventory the student's belongings and store them for 60 days. Residential Life reserves the right to dispose of items in the room that may pose a threat to storage spaces or other belongings (perishable foods, items that may attract bugs or rodents, etc.). After 60 days, items will be donated or disposed of at the discretion of Residential Life staff (any costs of removal will be at the owner's expense).

Residential Life will not ship items to owners. Owners may have another individual pick up their belongings during office business hours by contacting the hall director to set up a date and time. The owner will be required to fax a letter to Residential Life at least 24 hours prior to pick-up with the following information: a photo of the former resident's student ID, the former resident's ID number, the former resident's signature, clear instructions on who can pick up the items, and a descriptive list of what items can be retrieved. The individual retrieving the items will be required to show a photo ID to verify their identity when picking up the items

## **ALARM CLOCKS**

A staff member may enter a resident's room to shut off an alarm clock if the resident cannot be located or there is no response at the door.

## **ALCOHOL/ALCOHOL CONTAINERS**

Possession and/or consumption of alcoholic beverages are prohibited in all of our residence halls (Agnew, Custer, Hansen, Heather, McMIndes, Victor E. Village, Tiger Village) regardless of age. Alcohol containers and paraphernalia are prohibited in all of our residence halls regardless of age. Anybody in a room where an alcohol or drug violation occurs will be held responsible for the violation.

Apartment (Stadium Place, Wooster Place) residents of legal drinking

age, as defined by Kansas law, may possess and consume alcohol in their own apartments or the apartment and in the presence of another resident of legal drinking age. Such beverages must be packaged in containers of one (1) liter or less in volume and represent reasonable personal consumption.

An apartment resident may consume alcohol in their apartment even if their assigned roommate or guests are present and under 21 years of age. Consumption may not be in public, and must be done inside the apartment. A resident of legal drinking age will be held accountable for a roommate and/or others under legal drinking age who consumes alcoholic beverages while he/she is present. Anybody in a room where an alcohol or drug violation occurs will be held responsible for the violation, regardless of whether or not you are drinking.

## **APARTMENT STORAGE**

Balconies between apartments and breezeway stairs should be kept clear. Items blocking free passage (5 feet) will be removed and disposed, including but not limited to bikes and furniture.

## **APPLIANCES & ELECTRICITY**

- Residents are expected to use reasonable care in their usage of appliances and other electrical items. Due to potential fire hazards and power failures caused by overloaded electrical circuits, electrical appliance usage must be limited. Residents are encouraged to use UL-approved surge protectors with appliances to avoid blowing fuses. Multiple incidents of blown fuses may result in additional limitations to the items students may keep/use in their rooms.
- All resident-owned refrigerators in rooms must be less than 10 years old and less than a total of five cubic feet in size.
- Small electric coffee pots, flameless candle warmers, and small microwave ovens (less than 700 watts in size) are allowed to be used

in student rooms. Small cooking appliances without open coils such as George Foreman grills, air fryers, electric woks, electric skillets, or electric quesadilla makers can be stored in your room, but may be used in kitchens only.

- Space heaters, halogen or torchiere lamps, and Medusa lamps with goose-necks and plastic shades are not allowed.
- Use or installation of window or portable air conditioning units is prohibited.
- Refrigerators may not be more than 4.5 cubic feet.

## **ASSAULT/HARASSMENT**

Verbal, physical, or written abuse/harassment (including, but not limited to, racial, ethnic, or sexist slurs) will not be tolerated.

- All residents are expected to uphold the University's Title IX policy, sexual harassment policy, and harassment policy. Please refer to University policies for specific information.

## **BICYCLES & SCOOTERS**

Bicycles should be parked in the bike racks located near the exits of each hall. Bikes parked in any other location, including apartment balconies and breezeways, will be removed at your expense. Register your bike with the University Police Department at the beginning of the school

year. Bikes not claimed at move-out will be removed by the University during the last week of May. Bikes will be sold or disposed of at the discretion of the Department of Residential Life. Residential Life is not responsible for cut locks.

Bikes may not be ridden indoors, however, they may be stored in student rooms if both roommates agree (see the loft policy for additional space options). When bringing a bike in the hall, care should be taken not to damage the floor or walls. Bikes may not be kept in public spaces in the hall including hallways, lounges, or stairwells.

No motorized bikes are permitted inside the buildings at any time.

All residence halls close when classes are not in session. Those wishing to stay over winter, fall, or spring break, must fill out break housing request paperwork and submit appropriate documentation regarding the need to stay over break. ## **CHILDREN**

Children are the responsibility of their parents/legal guardians. If children are found unattended, they and their parents/legal guardians may be referred to the Department of Human Services. Please remember that much cooperation is needed if residents both with and without children are to live in close proximity without problems. Families with children should try to limit their children's active play in the late evening hours.

At the same time, residents without children must be patient, realizing their social activities may require similar patience from families.

Playground equipment is located in the Wooster Courtyard. Please keep the safety of your children in mind when allowing them to play on the equipment. Children must be supervised by a responsible adult while playing. Please notify the manager if any of the equipment needs repairs.

## **CLEANLINESS/GARBAGE**

Residents are expected to clean up after themselves to maintain a clean community living space. Disposing of personal trash and pizza boxes from your room in the bathroom or lounge receptacles is NOT acceptable.

Garbage is collected in the apartment areas twice a week. Large dumpsters are provided near each apartment building. You are encouraged to frequently empty your garbage in the dumpster to reduce the chance of drawing insects into your apartment. Please be sure to bag your trash to prevent attracting flies. Do not set trash in the breezeway to be carried to the dumpster later. This will attract flies and stray animals. All trash that is to be picked up must be placed in the dumpster. Do not place personal trash in the community trash cans. Any trash placed outside of the dumpster will not be picked up and detracts from appearance and sanitation of your apartment area.

## **COHABITATION**

Cohabitation is strictly prohibited; an overnight guest may stay for no longer than three consecutive nights or eight total nights per month, regardless of room, unless special permission is granted in advance by the Hall Director or Apartment Manager. Personal belongings of guests amounting to more than one overnight bag may be cause to discuss cohabitation.

Firearms, ammunition, martial arts weapons, knives (with blades longer than 3.5 inches), explosives, paint ball guns, airsoft guns, blowguns, sling shots, swords, bows, arrows, broad heads, taser, and other weapons (including fake weapons) are not allowed in the halls. The use or display of any object or instrument in a dangerous or threatening manner is prohibited.

In accordance with the State of Kansas Concealed Carry Law, residents who are 21 years of age or over are able to carry a handgun if it is

concealed on their person, or concealed in a bag/back pack that is in their immediate reach. Students must store their handgun in their vehicle or in an approved gun safe within their room and must not give others access to their weapon, including the access to their gun safe.

An approved storage device has each of these characteristics: (1) it is of sufficient size to fully enclose the handgun while secured in an approved holster; (2) it is constructed of sturdy materials that are non-flammable; (3) it has a combination, digital, or other secure locking device that can only be unlocked by the individual using the storage device, but devices secured exclusively with a key lock are prohibited; and, (4) the device is constructed specifically for storage of a handgun and/or ammunition.

We believe we are individually and collectively responsible for our behavior and are fully accountable for our actions. We must take initiative and responsibility for our own learning and awareness of the differences which exist in our community and avoid all actions that diminish others. We are committed to these principles which are an

integral part of our purpose, values, and daily activities. Bigotry and hatred will be given no home within our residential community. While each of us has the right to our own personal beliefs, these beliefs in no way give us the right to denigrate another on the basis of his/her age, physical handicap, national origin, sexual orientation, race, gender, or religious affiliation.

Our communities will not tolerate verbal or written abuse, threats, intimidation, violence, or other forms of harassment against residents, FHSU staff, or visitors. ## **CONTRACT VIOLATION**

Students are responsible for adhering to the Residential Life contract. Students who are released from their Residential Life contract due to any policy violation will be responsible for the payment of all

Residential Life charges and fees. A copy of the Residential Life contract can be found on our website at <http://www.fhsu.edu/reslife/>.

Do not burn charcoal grills or hibachis within an apartment, because large quantities of carbon monoxide may be given off, which could result in serious or fatal injury.

## **GROUNDS UPKEEP**

The university is responsible for the upkeep of the lawn area around the residence halls and apartments. For this reason, residents may not plant gardens or flowers or erect any structures in the area around the apartments. Please keep toys and trash picked up so that the grounds keepers will be able to mow more efficiently and so that hard-to-see toys are not accidentally destroyed.

## **HATE CRIMES/ HARASSMENT**

Residential Life will make efforts to loft all beds prior to move-in day, but cannot be guaranteed that all requests will be completed on time. ## **PRANKS**

If any individual – student, staff, or faculty – catches a prank in progress and asks for the prank to stop, the participants of the prank must comply immediately. The participants of any prank will be held responsible for resolving all negative repercussions of their actions, including, but not limited to, unintentional and unforeseen damage of property.

Originators are also responsible to clean and restore residential life environments to their original state after pranks. All pranks must comply with the following policies:

- Pranks cannot be harmful to people or property.
- Pranks cannot violate any college policies.

- Pranks cannot include animals, dead or alive.
- Pranks cannot include bodily fluids or solids.

## **PROPPING OF DOORS**

Do NOT prop open any building doors. To ensure the safety and security of our facilities and students propping, propping of doors is prohibited. Propping doors can lead to possible dangerous and unauthorized individuals to enter the building and may allow animals to enter the building.

## **PUBLIC VIEWING AREAS**

The outside of room doors and room windows are considered public viewing areas. Residents are expected to be considerate of the other members of the community when displaying materials in these areas. Any decorations used must not protrude beyond the doorframe itself. Anything determined to create an offensive, demeaning, intimidating, or hostile environment for any community member will be removed.

## **POSTING**

Posting in all of the residence halls must be approved in advance by the Associate Director of Residential Life, in accordance with this policy and the provisions of any policy applicable to residence halls or apartments. In the event that a request is for posting is denied, a written explanation will be provided and the person or group who submitted the request may contact the Director of Residential Life, who will determine the request in accordance with the terms of this policy. The general public may not post residence halls apartments.

## **PRIORITY HOUSING SIGN-UP**

Each year, an opportunity for returning students to apply for renewal of the housing contract will be available. Residents are able to sign-up for spaces for the upcoming school year. Information will be communicated through your FHSU email account. Please contact the Residential Life office for more information

## **QUIET HOURS**

Quiet hours in all residence halls and Stadium Place are enforced from 10:00 p.m.-10:00 a.m. on weeknights and midnight - 10:00 a.m. on weekends. Wooster Place quiet hours are enforced daily from 9:00 p.m. 8:00 a.m. Courtesy hours are in effect 24 hours a day in all buildings. During Courtesy Hours, residents should keep in mind the level of noise coming from their space and accommodate any requests from community members to lower noise levels.

During finals week, quiet hours will be enforced 24 hours a day, beginning at 10:00 pm the Thursday before finals. During this time, room doors should be closed if you are playing music, using your TV, or having a conversation and volume should be kept at a low level. If another resident requests that you lower the volume, you are expected to cooperate with the request, regardless of the time of day. Likewise, you have the right to politely request that another resident decrease their noise level.

## **REPAIRS**

Repair and maintenance needs, including heat issues, broken furniture, malfunctioning equipment, fixture leaks, burnt out light bulbs, and other issues requiring attention should be reported through an online work order request at [www.fhsu.edu/reslife/students](http://www.fhsu.edu/reslife/students). Additionally, please inform your Resident Assistant if you have submitted a work order request but the issue has not been resolved. Remember, we cannot help you unless we are informed of the problem. If there is a facilities emergency, immediately contact a staff member. An emergency is a situation that could endanger health or property, not a minor inconvenience. Maintenance staff are permitted to enter resident rooms and apartments starting at 9:00 a.m. to complete appropriate repairs.

## **RENTER'S INSURANCE**

The University does not carry insurance covering personal property and is not liable for losses, damages, and injuries of any sort occurring in the apartment areas. As a result, residents are strongly encouraged to obtain personal property insurance. You should contact your insurance agent or an agent in the Hays area for further information.

## **RESIDENT CONFRONTATION**

Policies for our community aid in creating an environment in which

residents may live together with maximum freedom while recognizing the rights of individuals and fellow residents. All residents should make an effort to be aware of how their actions impact their neighbors and roommates. When a resident violates this basic standard of community living by endangering the safety of other residents or violating any of the policies outlined by the University or this guide, this behavior must be confronted. When a resident infringes upon the rights of another individual or the community, they should first be confronted by the person(s) whose rights have been violated.

We ask you to be the first person to handle a situation when your or the community's rights are being violated. If after confronting inappropriate behavior of another individual, the individual does not attempt to alter their behavior, you should visit with your Resident Assistant or Apartment Manager.

As a member of the community, you can do a great deal to communicate with and help others by exercising the Resident Confrontation Policy. You are encouraged to take initiative to resolve issues as they arise and to appropriately, and positively confront fellow residents first and follow-up with Residential Life Staff for conflict mediation when appropriate.

## **RESTROOMS**

Restrooms identified for use by a specific gender are solely for use by that gender. Residents and guests must use restrooms designated for their gender and guests must be escorted to the restroom. Public restrooms can be found on the main floor or lower level of every building.

Restroom stalls, pods, and showers are for use by one individual at a time.

## **RETRIBUTION/REPRISALS**

Any reprisal taken against an individual for reporting, objecting to, or serving as a witness of harassment or a policy violation is retaliation and will be considered a separate and distinct act of harassment.

## **ROOM CAPACITY**

To ensure safety and to manage noise within the community the maximum number of individuals in a room must be limited. Traditional residence halls

(Custer, McMIndes, Victor E. Village, and Tiger Village) have a capacity of 10 individuals. Hansen Hall rooms have a capacity of 6 individuals. Tiger Place Suites, Stadium Place Apartments, and Wooster Place apartments have a capacity of 12 individuals. Exceptions can be made to this policy with the approval of the Hall Director or Apartment Manager.

## **ROOM DECORATIONS/ MODIFICATIONS**

The Department of Residential Life encourages the personalization of student rooms. Please note the following guidelines as they relate to room decorations. Residential Life staff may ask you to remove items determined to be potential fire or safety hazards from your room or doorway.

- Students may not paint or permanently alter their living/sleeping spaces.
- Students may not use any nails, screws, tacks, 3M hooks/Command strips, etc. in decorating their rooms. Any damage to walls or ceiling will be charged to the resident upon move-out, and students are not allowed to make their own repairs.
- A resident may put carpet in his or her room as long as it is not taped or glued to the floor. If carpeting covers more than half of the room floor it must have a flame spread rating of 78 percent or less.
- Residents may cover up to 50 percent of the exterior of their doors.
- Door numbers must remain uncovered and visible to university and housing staff at all times.
- Decorations that contain inappropriate or offensive content are prohibited on the exterior of the room or from being displayed in a manner, which can be viewed from the exterior of the room such as through the window or visible to passersby when your door is open (see “Public Viewing Areas” policy).
- No items should be attached or suspended from the ceiling or pipes in your room.
- Live trees, wreaths, and garland are not permitted in the halls. Trees and other greenery must be artificial and flame resistant.
- Lights must be UL-approved and of low wattage.
- Do not hang anything from the windows or place any items on the exterior windowsill including planters, televisions, radio antennas,

and satellite dishes.

Residents will be charged for any unauthorized alterations, change, repairs, or remodeling done in or outside your room or apartment.

## **ROOM ENTRY BY STAFF**

University officials reserve the right to enter and inspect university housing units at any time. Entry may occur to protect and maintain the property of the university, ensure the health and safety of its students, or whenever necessary to aid in the basic responsibility of the university regarding discipline and maintenance of an educational atmosphere. In such cases, effort will be made to notify the resident(s) in advance and to have resident(s) present at the time of entry. No room will be searched except with your permission or by appropriate legal agencies with a warrant.

## **ROOM/SUITE FURNITURE**

Every student room/suite/apartment (with the exception of Wooster Place) is equipped with a bed, study chair, desk, closet, and possibly a bulletin board for each resident. Tiger Place suites are furnished with additional common space furniture. This furniture must remain in the student's room/suite. Residential Life will not provide storage for any furniture. Any missing furniture upon checkout will result in replacement charges being assessed.

## **SEXUAL HARASSMENT**

See the student Code of Conduct and refer to the chart on page "55" for information on Gender Based Violence. Residential Life takes allegations seriously and will follow up with student concerns.

## **SMOKING/TOBACCO**

Smoking and the use of tobacco products is prohibited on the campus of Fort Hays State University, including buildings and facilities, as well as any exterior spaces. All residence halls and apartments are smoke free. Use of any item that produces smoke or tobacco vapor, including e-cigarettes, is prohibited.

Any charges related to creating a smoke-free apartment, including cleaning, re-painting and re-carpeting, will be charged to your student account. Complaints concerning violations of these regulations will be

submitted to the University Police Department (UPD).

## **SOLICITATION**

Solicitation is not permitted in Fort Hays State University Residential communities, including parking lots. Anyone observed to be engaging in solicitation activities, including campaigners and salespeople, should be informed that such activity is prohibited and that they must cease immediately. Those who violate policy should be reported to the Residence Hall Director, who will inform the Office of Student Affairs.

It is against university policy for anyone to solicit, peddle, canvas, or otherwise engage in contacting faculty, staff, or students for any purpose not specifically approved in advance by university authorities. Publicizing or sale of products and/or services by individuals, partnerships, corporations, or other such entities not associated with or related to the university is prohibited. Request for exceptions to this policy may be made to the Vice President of Student Affairs.

Unauthorized entry into, presence in or use of University facilities, equipment or property, which have not been reserved or accessed through appropriate University procedures, is prohibited.

## **THEFT OR MISAPPROPRIATION**

Theft of any kind, including seizing, receiving or concealing property with the knowledge that it has been stolen, or reasonably should have known that is stolen is forbidden. Sale, possession or misappropriation of any property, including FHSU property, without the owner's permission is also prohibited.

## **VIDEO RECORDING POLICY**

The use of cellular telephones and devices with photographic and or video capabilities in a manner that creates a hostile environment in the residence halls and apartments is a violation of policy. A hostile environment is one that interferes significantly with a person's employment, education, and/or living condition. Residents and guests are expected to comply with a person's reasonable expectation to privacy in residence hall rooms, and common areas. Use of photographic and video capabilities in restrooms is strictly prohibited.

## **VISITATION/ESCORT POLICY**

The right of a resident to live in reasonable privacy takes precedence over the right to entertain guests within the residential facilities. Any resident of the room has the right to ask a visitor or guest to leave. A resident must accompany all guests at all times in public space and are required to be in possession of a form of identification at all times while in the residential facilities. Unescorted guests will be required to leave the hall.

Residents are responsible for the actions of their guests and staff may ask a visitor to leave if the guest is violating policies or creating a disturbance. The resident will be held responsible for any violations or disturbances that his/her guest(s) cause. Guest privileges, of the host resident or guest, may be restricted or revoked for failure to abide by expectations.

## **WEAPONS**

Firearms, ammunition, martial arts weapons, knives (with blades longer than 3.5 inches), explosives, paint ball guns, airsoft guns, blowguns, sling shots, swords, bows, arrows, broad heads, taser, and other weapons (including fake weapons) are not allowed in the halls. The use or display of any object or instrument in a dangerous or threatening manner is prohibited.

In accordance with the State of Kansas Concealed Carry Law, residents who are 21 years of age or over are able to carry a handgun if it is concealed on their person, or concealed in a bag/backpack that is in their immediate reach. Students must store their handgun in their vehicle or in an approved gun safe within their room and must not give others access to their weapon, including the access to their gun safe.

An approved storage device has each of these characteristics: (1) it is of sufficient size to fully enclose the handgun while secured in an approved holster; (2) it is constructed of sturdy materials that are non-flammable; (3) it has a combination, digital, or other secure locking device that can only be unlocked by the individual using the storage device, but devices secured exclusively with a key lock are prohibited; and, (4) the device is constructed specifically for storage of a handgun and/or ammunition.

The possession/use of weapons that violates policy endangers the health or safety of yourself or others is sufficient cause for immediate dismissal from the residential community without financial release and referral to the Director of Residential Life for further disciplinary review.

### **WINDOWS/SCREENS**

Any resident who removes the screen from a window for any reason will be assessed a \$50.00 damage charge and face disciplinary action.

## MISSING PERSONS

On-campus students should contact your Resident Assistant, Hall Director, or the University Police Department if they suspect another student is missing.

## SEVERE WEATHER AND TORNADOS

Radio and television weather services typically issue tornado warnings with reference to city and county. Fort Hays State University is located in the City of Hays in Ellis County. In the event a tornado warning for Hays or Ellis County is broadcast by the radio and television services or is indicated by the sounding of the tornado siren, all residents and visitors are advised to:

1. Leave residence room or apartment
2. Close and lock the door
3. Move immediately to seek shelter in the basement or lowest level

Shelter areas include:

- Custer basement
- McMinderes basement and lower level floors
- Tiger Village 1<sup>st</sup> floor community rooms
- Victor E. Village 1<sup>st</sup> floor community and laundry rooms
- Heather Hall Storm Shelter
- Wooster Place residents should go to the Heather Hall Storm Shelter
- Stadium Place residents should go to the Victor E. Village 1<sup>st</sup> floor community and laundry rooms.

4. Take the following items with you if they are immediately available: pillow or blanket to protect your head, a flashlight, and a battery-powered radio. If there is not enough time to move to your assigned storm shelter, all residents and visitors are advised to leave residence rooms, close and lock the door and seek shelter in a hallway on the lowest level of the building they

can safely reach. Interior rooms without windows, closets, and similar spaces are good choices for quick shelter. Stay away from windows and all other glass.

In the event of a tornado, residence hall staff will have immediate authority. Please follow their directions. Only hall staff may issue an all-clear message or any further information.

## **WEATHER TERMINOLOGY**

- Tornado/Severe Weather Watch – A “watch” means that the present weather conditions could produce a tornado, thunderstorm, or severe weather. When a Watch occurs, individuals should take precautions to protect themselves, such as tuning in to a radio or television.
- Tornado/Severe Weather Warning – A “warning” means there is severe weather or a tornado that has been sighted in the area. Individuals should seek shelter immediately.

# GENDER-BASED VIOLENCE

## REPORTING PROCESSES

Surviving a gender-based crime is emotionally draining. The chart on the follow page outlines the different types of reporting for where you are in this emotional process. You may choose an additional method of reporting at any time during the reporting process. Please note that most FHSU staff are considered mandatory reporters.

If you are a victim or know a victim of an assault the following individuals and groups will provide assistance:

- **Amy Schaffer, Title IX Coordinator – Confidential Resource, Not a Mandatory Reporter (785) 628-4175 , [alschaffer@fhsu.edu](mailto:alschaffer@fhsu.edu)**
- Resident Assistant - You can contact them through the front desk of your residence hall or on your floor.
- Hall Director - You can contact them through the front desk of your residence hall or on your floor.
- Residential Life Staff Member - The Residential Life Office is located in 126 McMIndes Hall.
- Kelly Center - The Kelly Center is located in the basement of Picken Hall, 785-628-4401.

# GENDER-BASED VIOLENCE

## REPORTING PROCESSES

RESIDENT ASSISTANT, HALL DIRECTOR, OR RESIDENTIAL LIFE STAFF MEMBER	POLICE REPORT: CRIMINAL PROCESS X911  785/628-5304	ASSISTANT VP/SA/TITLE IX REPORT: ADMINISTRATIVE PROCESS  785/628-5824	COUNSELING OR HEALTH SERVICES: CONFIDENTIAL PROCESS  785/628-4401	DIFFERENCE
Partial confidentiality - must alert supervisor of information. Supervisor determines if the information goes to the Title IX Coordinator.	Partial confidentiality - witnesses, accused, and few others will be contacted. Depends on court proceedings.	Partial confidentiality - must conduct an investigation where the accused party and responsible employees will be notified.	Confidential - will not expose details to any party.	The level of confidentiality is dependent on how you are feeling during the process.
Residential Life staff do not handle gender based crimes. Students go through the student conduct process with the Title IX Coordinator.	Prosecutors must prove a case beyond a reasonable doubt.	FHSU considers whether it is more likely than not that the behavior occurred (preponderance of evidence).	Listen and assist in the health care process. Their goal is to restore your emotional and physical health.	The criminal standard is harder to prove than the administrative standard.
Can assist with making room changes for safety and security purposes.	If a person is found guilty he/she will be subject to criminal penalties.	If an individual is found responsible, he/she will be subject to University disciplinary action.	No consequences can be given; however, support and some accommodations can be made.	FHSU can make accommodations in housing, no contact orders, parking, support services, and class schedules.
RA writes incident report and it is forwarded to the Title IX Coordinator.	Criminal cases ordinarily take months to years to resolve.	AVPSA completes investigations in 60 days, exception extenuating circumstances.	Does not complete investigation.	FHSU process is ordinarily quicker than the criminal process.

for any information you may need.
