CTC Scholarships are designed to address financial barriers.

Local Navigators will be able to help students plan for their financial needs as efficiently as possible using local resources, including the Classroom-to-Classroom Scholarship.

Foreseeable financial barriers may include but are not limited to school tuition, technology devices, required materials for courses and other predictable expenses.

ONLINE OPPORTUNITIES

The Curriculum is delivered online with field experiences and student teaching in their communities.

Fort Hays State University and community college partners have aligned specific course credit hours to allow students to complete the program in 120 credits.
