Write smarter, not harder: Your AI support for any paper

Writing Lab is your academic writing assistant. It guides you in using AI ethically while developing your own writing skills. Instead of writing for you, Writing Lab provides feedback to help you express your ideas effectively, whether you're using AI tools or not. Improve your writing, maintain academic integrity, and succeed in your coursework.

Writing Lab will help you:

- **Write with confidence**, through real-time writing feedback.
- Choose **credible sources** and **cite them** correctly.
- **Avoid plagiarism** and use AI transparently.
- **Build AI literacy** by showing you how to get support from GenAI in academically honest ways.

Writing Lab is **free resource** for students and faculty at Fort Hays State University!

How to get started:

- ❑ **Step 1:** Access and create an account [here](#) using your Fort Hays email.
- ❑ **Step 2:** Review tutorial and [demo video](#).
- ❑ **Step 3:** Get started on your first draft!
