Parking for Off Campus Visitors

When we have events in the building for off campus groups we make campus police are aware so they will not ticket.

People can park in lots A-2 and A-3

If they get a ticket and are parked in one of these two areas then we will help get the ticket removed.

If they choose to park on the street or other areas they are on their own.

Around campus there are designated visitor parking spots.

FORT HAYS STATE UNIVERSITY
MEMORIAL UNION

Forward thinking. World ready.
