[VIP AMBASSADORS GAIN INSIGHT, GIVE BACK TO FHSU COMMUNITY](#)

01/16/25

The VIP Ambassador Program at Fort Hays State University, established by President Gerald Tomanek in 1982, empowers students to publicly represent their university while fostering a spirit of connection among these talented future leaders. Each year, a select group of 15-20 VIP Ambassadors participate in significant projects and events, gaining invaluable experiences along the way. Hazel Frans, Katie Ecord, and Noah Erichsen are members of our current VIP Ambassadors team, and each has had a compelling personal journey that I would like to share with the readers of this column.
